- No need to wait for late comers. classes should start on time. Late comers can catch up in their own time
 - Using film dialogue is a good idea. It would be better if the dialogue can be slowed down a little bit.
 - Maybe we could learn more sentences or paragraphs, instead of words or phrases.
 - In general, good teaching
-

Feedback/comments/suggestions for the International Society:

It would be great if the classes can stay at 17:30 on Mondays.
