Letter of Recommendation

for: Keith Tse

from: Edward L. Keenan

Distinguished Professor

Dept of Linguistics, UCLA

Dear Colleagues,

This letter confirms that Keith Tse took for credit my course on Syntactic Typology at the recent Linguistics Institute, this past June/July at the University of Michigan, Ann Arbor. He did fine on all the assignments, working on an Austronesian language Kokota; he attended all lectures and participated constructively in class. He received a grade of A in the course..

Respectfully yours,

Edward L. Keenan
